The **List of Covered Drugs** is also called the “**Drug List**.”

We made changes to our **Drug List**, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the **Drug List** to **make sure your drugs will be covered next year** and to know if there will be any restrictions.

Most of the changes in the **Drug List** are new for the beginning of each year. However, we might make other changes as allowed by Medicare and/or the state that will affect you during the plan year. We update our online **Drug List** at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at **1-877-542-9236 (TTY 711)** 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week), to ask for a list of covered drugs that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Ask the plan to cover a temporary supply of the drug.
 - In some situations, we will cover a **one-time, temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply will be for up to 30 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to Chapter 5 of the **Member Handbook**.)
 - When you get a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.
 - A new formulary exception needs to be submitted every year. If you or your prescriber believes your health may be harmed by waiting 72 hours, you can ask for an expedited exception and we will give you an answer within 24 hours after we get your prescriber’s supporting statement.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). **For more information**, visit **UHCCommunityPlan.com**.

Changes to prescription drug costs

There are two payment stages for your Medicare Part D prescription drug coverage under UnitedHealthcare Connected® for MyCare Ohio. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the two stages:

Stage 1 Initial Coverage Stage	Stage 2 Catastrophic Coverage Stage
<p>During this stage, the plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2025.</p> <p>You begin this stage when you have paid a certain amount of out-of-pocket costs.</p>

The Initial Coverage Stage ends when your total out-of-pocket costs for prescription drugs reaches \$2,000. At that point, the Catastrophic Coverage Stage begins. The plan covers all your drug costs from then until the end of the year. Refer to Chapter 6 of your **Member Handbook** for more information on how much you will pay for prescription drugs.

Beginning in 2025, under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan’s full costs for covered Part D brand name drugs and biologics during the Initial Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount program do not count toward out-of-pocket costs.

D3. Stage 1: “Initial Coverage Stage”

During the Initial Coverage Stage, the plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on what cost-sharing tier the drug is in and where you get it. You will pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you will pay the lower price.

For information about the costs for a long-term supply; or at a network pharmacy that offers preferred cost sharing look in **Chapter 6, Section C** of your **Member Handbook**.

Most adult Part D vaccines are covered at no cost to you.

The following table shows your costs for drugs in each of our 3 drug tiers. These amounts apply **only** during the time when you are in the Initial Coverage Stage.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). **For more information**, visit **UHCCommunityPlan.com**.

D4. Stage 2: “Catastrophic Coverage Stage”

If you do not enroll in a different MyCare Ohio plan, you will remain in our plan to get your Medicaid services.

Your Medicaid services include most long-term services and supports and behavioral health care. Once you stop getting Medicare services through our plan, you will get a new Member ID Card and a new Member Handbook for your Medicaid services.

If you want to switch to a different MyCare Ohio plan to get your Medicaid benefits, call the Ohio Consumer Medicaid Hotline at **1-800-324-8680**, Monday through Friday from 7 a.m.–8 p.m. and Saturday from 8 a.m.–5 p.m. TTY users should call the Ohio Relay Service at **711**.
