# Annual Notice of Changes for 2025

**You are currently enrolled as a member of UHC Dual Complete VA-S002 (HMO-POS D-SNP).**

Next year, there will be changes to the plan's costs and benefits. Please see page 8 for a Summary of Important Costs, including Premium. This document tells about the changes to your plan. ## What to do now

### 1. **Ask:** Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including coverage restrictions and cost sharing.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2025 Drug List to make sure the drugs you currently take are still covered.
- Compare the 2024 and 2025 plan information to see if any of these drugs are moving to a different cost sharing tier or will be subject to different restrictions, such as prior authorization, step therapy, or a quantity limit, for 2025.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies, will be in our network next year.
- Check if you qualify for help paying for prescription drugs. People with limited incomes may qualify for "Extra Help" from Medicare.

- 
- Think about whether you are happy with our plan.

**2. Compare:** Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your Medicare & You 2025 handbook. For additional support, contact your State Health Insurance Assistance Program (SHIP) to speak with a trained counselor.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

**3. Choose:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2024, you will be enrolled in UHC Dual Complete VA-Y3 (HMO-POS D-SNP).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2025**. This will end your enrollment with UHC Dual Complete VA-S002 (HMO-POS D-SNP).
- Look in Section 5 to learn more about your choices.
- If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

**Section 3.2 Changes to Your Maximum Out-of-Pocket Amounts**

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. These limits are called the maximum out-of-pocket amounts. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

**Section 3.3 Changes to the Provider and Pharmacy Networks**

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Updated directories are located on our website at [MyUHC.com/CommunityPlan](https://www.myuhc.com/CommunityPlan). You may also call Customer Service for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. **Please review the 2025 Provider Directory (MyUHC.com/CommunityPlan) to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2025 Pharmacy Directory (MyUHC.com/CommunityPlan) to see which pharmacies are in our network.**

**Section 3.5 Changes to Part D Prescription Drug Coverage**

**Changes to Our Drug List**

Our list of covered drugs is called a Formulary or Drug List. **You can get the complete Drug List** by calling Customer Service (see the back cover) or visiting our website ([MyUHC.com/CommunityPlan](https://MyUHC.com/CommunityPlan)).

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the plan year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Starting in 2025, we may immediately remove brand name drugs or original biological products on our Drug List if we replace them with new generics or certain biosimilar versions of the brand name drug or original biological product with the same or fewer restrictions. Also, when adding a new version, we may decide to keep the brand name drug or original biological product on our Drug List, but immediately add new restrictions.

This means, for instance, if you are taking a brand name drug or biological product that is being replaced by a generic or biosimilar version, you may not get notice of the change 30 days before we make it or get a month's supply of your brand name drug or biological product at a network pharmacy. If you are taking the brand name drug or biological product at the time we make the change, you will still get information on the specific change we made, but it may arrive after we make the change.

Some of these drug types may be new to you. For definitions of the drug types that are discussed throughout this chapter, please see Chapter 12 of your Evidence of Coverage. The Food and Drug Administration (FDA) also provides consumer information on drugs. See FDA website: [fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients](https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients). You may also contact Customer Service or ask your health care provider, prescriber, or pharmacist for more information.

### Changes to Prescription Drug Benefits and Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.**

Beginning in 2025, there are three **drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program will no longer exist in the Part D benefit.

The Coverage Gap Discount Program will also be replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

## Section 5 Deciding Which Plan to Choose

---

### Section 5.1 If You Want to Stay in UHC Dual Complete VA-Y3 (HMO-POS D-SNP)

---

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our UHC Dual Complete VA-Y3 (HMO-POS D-SNP).

### Section 5.2 If You Want to Change Plans

---

We hope to keep you as a member next year but if you want to change plans for 2025 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- **OR**– You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the **Medicare & You 2025 handbook**, call your State Health Insurance Assistance Program (see Section 7), or call Medicare (see Section 9.2).

As a **reminder**, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from UHC Dual Complete VA-Y3 (HMO-POS D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from UHC Dual Complete VA-Y3 (HMO-POS D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll or visit our website to disenroll online. Contact Customer Service if you need more information on how to do so.
  - **or** – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

---

## Section 6                      Deadline for Changing Plans

---

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 to December 7**. The change will take effect on January 1, 2025.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Cardinal Care Medicaid coverage from Virginia Department of Medical Assistance Services, you can end your membership in our plan any month of the year. You also have options to enroll in another Medicare plan any month including:

- Original Medicare with a separate Medicare prescription drug plan,
- Original Medicare without a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you enrolled in a Medicare Advantage plan for January 1, 2025, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2025.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

## Section 7                      Programs That Offer Free Counseling about Medicare and Medicaid

---

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Virginia, the SHIP is called Virginia Insurance Counseling and Assistance Program (VICAP).

It is a state program that gets money from the federal government to give **free** local health insurance counseling to people with Medicare. Virginia Insurance Counseling and Assistance Program (VICAP) counselors can help you with your Medicare questions or problems. They can

help you understand your Medicare plan choices and answer questions about switching plans. You can call Virginia Insurance Counseling and Assistance Program (VICAP) at 1-800-552-3402.

For questions about your Cardinal Care Medicaid Department of Medical Assistance Services benefits, contact Virginia Department of Medical Assistance Services, at 1-855-242-8282, 8 a.m. - 6 p.m. ET, Monday - Friday. TTY users should call 711. Ask how joining another plan or returning to Original Medicare affects how you get your Cardinal Care Medicaid Department of Medical Assistance Services coverage.

---

## Section 8 Programs That Help Pay for Prescription Drugs

---

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- “Extra Help” from Medicare.** Because you have Cardinal Care Medicaid, you are already enrolled in “Extra Help”, also called the Low Income Subsidy. “Extra Help” pays some of your prescription drug premiums, yearly deductibles, and coinsurance. Because you qualify, you do not have a late enrollment penalty. If you have questions about “Extra Help”, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call 1-800-325-0778; or
  - Virginia Department of Medical Assistance Services at 1-855-242-8282, TTY 711.
- Help from your state’s pharmaceutical assistance program.** Virginia has a program called Virginia Rx Assistance Program that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
- Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on eligibility criteria, covered drugs, how to enroll in the program or if you are currently enrolled how to continue receiving assistance, please contact the ADAP in your state. You can find your state’s ADAP contact information in Chapter 2 of the **Evidence of Coverage**. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
