# **Enrollment checklist**

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

## **Understanding the benefits**

- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network.
- Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary to make sure your drugs are covered.

## **Understanding important rules**

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium unless your Part B premium is paid for you by Medicaid or another third party. This premium is normally taken out of your Social Security check each month.
- Benefits may change on January 1 of each year.
- Our plan allows you to see providers outside of our network (non-contracted providers). Check the EOC to see which out-of-network services are covered on this plan. However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
