ROUTINE ACUPUNCTURE OR CHIROPRACTIC

Members whose benefits include additional routine acupuncture or chiropractic care may see the following network providers. Not all network providers may be included in this list. This list may change. Please see your Evidence of Coverage for details about plan benefits, limitations and exclusions. If your plan does not include additional routine acupuncture or chiropractic benefits and you visit one of these providers, your services will not be covered.

DENTAL

Make sure your plan includes dental coverage

Enrollees whose plan includes additional dental services may see the following dental providers. If your plan does not cover additional dental benefits and you visit one of these providers, your services will not be covered.

Not all network dental providers may be included in this list. This list may change. For complete, up-to-date information, or to change your dental provider, contact UnitedHealthcare Customer Service at the toll-free number on the cover of this directory. Please see your Enrollee Handbook for details about plan benefits, limitations and exclusions.

VISION

Vision care

Members whose benefits include additional vision care, such as preventative eye exams and eyewear, may see the following vision providers. Not all network vision providers may be included in this list. This list may change. Please see your Evidence of Coverage for details about plan benefits, limitations and exclusions.

Note: For Medicare-covered vision care (medical conditions of the eye, glaucoma screenings, cataract services, etc.), see the **Specialists** section of this directory.

If your plan does not include additional vision care benefits and you visit one of these providers, your services will not be covered.
