Medicaid Benefits

Information for people with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what New York State Department of Health covers and what our plan covers.

Coverage of the benefits depends on your level of Medicaid eligibility. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, but you may have to pay a cost share. In some situations, Medicaid may pay your Medicare cost sharing amount. See your Medicaid Member Handbook for more details. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call New York State Department of Health, 1-800-541-2831.

About this plan

UHC Dual Complete NY-Q001 (HMO-POS D-SNP) is a Medicare Advantage HMOPOS plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid, and don't pay anything for covered medical services. How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits.

Your eligibility to enroll in this plan depends on your type of Medicaid.

You can enroll in this plan if you are in one of these Medicaid categories:

- **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only for Medicare covered services. You pay nothing, except for Part D prescription drug copays.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

You can go to **[UHC.com/CommunityPlan](https://www.uhc.com/CommunityPlan)** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
