UnitedHealthcare Community Plan is a Health Maintenance Organization (HMO). Because we are an HMO, your health care needs will be provided by doctors who participate in our provider network. If your primary care physician (PCP) decides you need services outside of our provider network, s/he can call Utilization Management to discuss your care. Please refer to your member handbook if you need help getting needed care.

UnitedHealthcare does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or need for health services in the receipt of health services.

We're glad you are a member of UnitedHealthcare Community Plan!
