UnitedHealthcare Community Plan is a Managed Care Plan (MCP), which consists of a network of providers who will provide for your care. Because we are an MCP, your health care needs will be provided by providers who participate with UnitedHealthcare Community Plan. If your Primary Medical Provider (PMP) decides that you need services outside of UnitedHealthcare Community Plan's provider network, she/he can call Utilization Management to discuss your care. Please refer to your member handbook if you need help in accessing needed care.

UnitedHealthcare Community Plan does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or need for health services in the receipt of health services.

Contact your Case Manager (if applicable) if you need assistance accessing specialists or a Primary Medical Provider.
