
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-331-4680 or visit [uhc.com/aca-sample-policy](http://uhc.com/aca-sample-policy). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; or \$0 Individual / \$0 Family	See the Common Medical Events chart below for your costs for services this plan covers.
<b>Are there services covered before you meet your deductible?</b>	Yes.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="http://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .
<b>Are there other deductibles for specific services?</b>	Yes, Prescription drugs - \$500 Individual / \$1,000 Family <u>Deductible</u> does not apply to Tier 1, Tier 2 and Tier 3 drugs. There are no other deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
<b>What is the out-of-pocket limit for this plan?</b>	Network: \$7,000 Individual / \$14,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://uhc.com/xohdocfindg2025">uhc.com/xohdocfindg2025</a> or call 1-800-331-4680 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the specialist you choose without a referral.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
