

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-482-9045 or visit [uhc.com/aca-sample-policy](http://uhc.com/aca-sample-policy). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-866-487-2365 to request a copy.

| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall deductible?                             | Network: \$0 Individual / \$0 Family   | See the Common Medical Events chart below for your costs for services this plan covers.  |
| Are there services covered before you meet your deductible? | Yes.   | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="http://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .                                      |
| Are there other deductibles for specific services?          | Yes, Prescription drugs - \$150 Individual / \$300 Family<br>Deductible does not apply to Tier 1 and Tier 2 drugs. There are no other deductibles. | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.   |
| What is the out-of-pocket limit for this plan?              | Network: \$1,500 Individual / \$3,000 Family   | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.   |
| What is not included in the out-of-pocket limit?            | Premiums, balance-billing charges, and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a network provider?            | Yes. See <a href="http://uhc.com/xazdocfindg2025">uhc.com/xazdocfindg2025</a> or call 1-877-482-9045 for a list of network providers.              | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist?                 | Yes.   | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.  |

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
