| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | Network: \$4,750 Individual / \$9,500 Family | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes-Benefits available with no charge such as Network Preventive-care and Mental & Behavioral Health services are covered before you meet your deductible . The cost-sharing below indicates when the deductible does not apply for each benefit. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive-services without cost-sharing and before you meet your deductible . See a list of covered preventive-services at healthcare.gov/coverage/preventive-care-benefits . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | Network: \$9,200 Individual / \$18,400 Family | The out-of-pocket-limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket-limits until the overall family out-of-pocket-limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket-limit. |
| Will you pay less if you use a network provider ? | Yes. See Choice Network at uhc.com/xnmdocfindoa2025 or call 1-866-569-3491 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network-provider and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network-provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral . |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
