

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-268-6438 or visit [uhc.com/aca-sample-policy](http://uhc.com/aca-sample-policy). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions   | Answers   | Why This Matters   |
|---|---|--|
| What is the overall deductible?                             | \$0   | See the Common Medical Events chart below for your costs for services this plan covers.  |
| Are there services covered before you meet your deductible? | No  | You will have to meet the deductible before the plan pays for any services.  |
| Are there other deductibles for specific services?          | No.   | You don't have to meet deductibles for specific services.  |
| What is the out-of-pocket limit for this plan?              | Network: \$1,900 Individual / \$3,800 Family  | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.   |
| What is not included in the out-of-pocket limit?            | Premiums, balance-billing charges, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a network provider?            | Yes. See <a href="http://uhc.com/xladocfindoa2024">uhc.com/xladocfindoa2024</a> or call 1-866-268-6438 for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist?                 | No.   | You can see the specialist you choose without a referral.  |

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
